TO ALL LOT OWNERS:

RE: NICOLA LAKE PLANNING AND MANAGEMENT

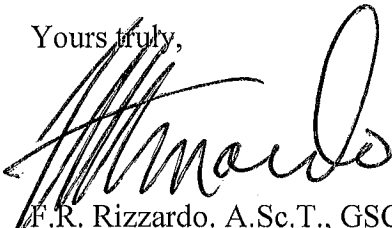

Please find attached a participant feedback and worksheet form for your response. I have also attached my completed form for your perusal.

I am eager to push the TNRD, Committee Area Reps, Mayor of Merritt, etc. to deal with the milfoil problem. We already dealt with the question on the purchase of a harvester unit's eligibility last year. We now need action to start a program.

I hope you will complete and send your comments in to Mike Simpson at msimpson@fraserbasin.bc.ca by October 1, 2012.

Thank you.

Yours truly,

F.R. Rizzardo, A.Sc.T., GSC
Managing Director

Nicola Lake Integrated Planning and Management Participant Feedback & Worksheet

(please write on the back of the sheet if there isn't enough space)

1. What do you want Nicola Lake to look like in the future?
useable for potable water, recreation, fishing and irrigation
2. What issues or opportunities need to be addressed in a strategic plan and integrated planning process?
#1 - dealing with the invasive eurasian milfoil now, why planning for the long term
3. Who or what organization is missing that needs to be here?
without an attendance list it is difficult to say - Quilchena on lake, Quilchena Ranch, Upper Nicola Band, Nicola Ranch, etc.
4. Should we focus on Nicola Lake or the larger watershed? (circle one)
5. How do you or your organization want to be involved?
Participate in planning for action, dealing with invasive milfoil
6. Other related input or comments: _____

7. Who should be involved in a volunteer working group?
Residents along/around lake
8. When should the volunteer group meet next? _____
9. When should we have a larger public meeting? _____
10. Overall, do you feel like this meeting was successful?

11. What could we do to improve the next meeting?
more contact of affected individuals
