

# Season's Greetings (beetle season, that is).

While others are planning for the holidays or jetting off to sunny locales, we are looking ahead to the 2013 beetle season and developing plans to ensure we have the products you need.

Our manufacturing and purchasing departments look for efficiencies that will minimize price increases from year to year. Their work has resulted in our decision to maintain 2012 prices for MCH bubblecaps and verbenone pouches.

## 2013 Prices
